Trade in*	Buy	Save
Eligible Tester 	Gold support GLD-1T3000  € 1499	€ 2500  Buy 1T-3000 for € 7495

* Eligible trade-in testers: EtherScope and Series II, OneTouch 10/100 and Series II, NetTool Series II, Agilent FrameScope Pro, Ideal LanXPLOER, Microtest Compas, Psiber LanExpert and other test equipment as approved by Fluke Networks

Terms and Conditions

The redeemable unit must be in operating condition. The trade-up form, completed and signed by the purchaser, must accompany any orders wishing to take advantage of this discount. No orders with trade-up discounts will be acknowledged without a signed copy of that form. Only one unit may be traded-in per OneTouch AT ordered. Purchaser must send or destroy the unit to be traded to the Fluke Networks Partner address listed in the trade-in form within 30 days of receiving the OneTouch AT or the purchaser will be invoiced for the discount provided.

In case of destruction we require a photo to proof the unit has been destroyed within 30 days. The purchaser must be the legal owner of the unit traded in, and the unit will become the property of Fluke Networks.
Promotion expires June 30, 2014 - Valid in DACH only.

Trade-In now!
